## GENERAL MARKET NEWS

### ASPARAGUS

The spring flush has eased up with a little less supply around, and prices have increased slightly.

### BEANS

Supply has improved, and prices have eased.

### TOMATOES

Extremely heavy rainfall last week in Bundaberg has severely damaged crops. As our primary growing region for this time of year, supply has been affected which means prices will be high for the next 3-4 weeks.

### RED & GREEN CAPSICUM

Both red and green capsicums have also been affected by the rainfall in Bundaberg which has increased the price.

### HEIRLOOM & OX-HEART TOMATOES

Local supply is back on, and quality is excellent.

### AUSTRALIAN STONEFRUIT

All stone fruit supply is now available. It includes apricots, cherries, peaches, plums, mangoes and nectarines. They are all of excellent quality and prices are fair.

AUSTRALIAN APRICOTS, NECTARINES, PLUMS, PEACHES, PURPLE BASIL, GUAVA, NEW CROP PURPLE CAULIFLOWER, NEW SEASON AUSTRALIAN CHERRIES, USA IMPORTED PERSIMMONS AND LYCHEE.
