GENERAL MARKET NEWS

Cape Gooseberries - The season has just started so supply is very limited and will improve in the next weeks.

Pine Mushrooms - The season has started, but due to the unusually warm weather and no rain over the past few weeks the supply is very limited and inconsistent. As soon as we get some rain, it should start to pick up.

Broad Beans - Local broad beans have started and are excellent quality. The price is still a little high at around \$10 per kilo as the season has just begun.

Red Love Apples - A new variety of apple. It has a pink flesh on the inside with the sharpness of a Granny Smith apple. Perfect for cheeseboards and maybe even an apple crumble.
