GENERAL MARKET NEWS

ASPARAGUS - Hot and wet weather in Victoria has brought the Australian season to an end, so we are relying on imports which are also in short supply. Prices are high and we expect them to stay that way for the next 2-3 weeks.

FIGS - The local season is now in full swing and prices are easing daily. Quality is excellent and some green figs are also available. Fig leaves are available as a pre-order.

CHERRIES - NSW and the Victorian season are coming to an end and we are relying on Tasmanian Cherries. Quality is excellent but prices are high as there is less supply. The Australian season will finish in 2-4 weeks.

RED KARKARLA (NEW PRODUCT) - Also known as baby pigface. We are sourcing directly from a grower in Western Australia.
